

How to communicate with local clubs/associations in Ettelbruck region and joint action?"

?

1/ WHY NOT TRY?/

IT WOULD BE A GOOD IDEA TO...

Students suggested - it will be a good idea to: improve relationship between local clubs/associations in Ettelbruck region and the Club Senior.

In October 2014, students from the Blind Center in Krakow in Poland took a part in the workshop titled: how to improve a communication?

This workshop was organized under the UE project : „THINK TANK” and the objective was: how to solve the partner’ s problem

3/ POSSIBLE OBSTACLES AND RESULTS

Possible obstacles

Our students have identified possible obstacles :

-The staff members of local associations will not accept proposed initiatives.

-They are afraid that Senior Club will be competing with their organisation.

- Relationship between local clubs and the Senior Club will be still distanced.

Our result:

- improving relationships between organisations

Thank you
for the
attention!!!
