SCHOOL HISTORY

Our school is called Manisa Tourism and Hotel Management High School was established in 2008 as a part of Trade High School building and managed by the same administer. But today even our school is in the same building it is separated from the trade school and managing by different headmaster. We hope to move our new building in the 2012 – 2013 education year which is still constructing and the photos can be seen above. Muzaffer ŞAŞMAZ is the first headmaster who is still managing the school.
